

Thanks for downloading our Priority Mail label. Call the number on the label to book your service. When you call in, we will activate insurance on your package and we will enter all your details into our database. Just cut out the label below and tape it to your package. You can then just put your package in the mail!

It will travel to us by Priority Mail arriving in 1 to 3 days. We will service it the same day and return it to you immediately. Don't forget to call first or you will not have insurance on your package!

Now you can send your shears to the finest service center in the world, without leaving your salon!
